English Studies at 'Schönes Haus' - 50 Years!

Thursday, 14 November 2019

In 1969, the Department of English at the University of Basel moved into the 'Schönes Haus', Nadelberg 6 while the department's theatre group, the *Gay Beggars*, started to perform in the impressive Cellar Theatre on the premises. For several decades, English Studies have thrived in an inspiring college atmosphere thanks to this beautiful environment. On **Thursday, November 14**, we will celebrate our Golden Jubilee. Our doors will be open to anyone interested, and there will be an opportunity to learn about English Studies at Basel past and present, and to experience the 'Beggars' in action. And if music be the food of love, we will play on!
